Govt retracts fees hike in 13 GMERS medical colleges, cancels 1st round admissions

Ahmedabad: The Admission Committee for Professional Undergraduate and Postgraduate Medical Educational Courses (ACPUGMEC, ACPPGME) has reversed its decision to increase the fees for undergraduate medical courses across 13 medical colleges run by the Gujarat Medical Education and Research Society in the state. The Admission Committee for Professional Undergraduate and Postgraduate Medical Educational Courses (ACPUGMEC, ACPPGME) took a surprising turn on Tuesday by reversing its earlier decision to sharply raise fees for undergraduate medical courses across 13 medical colleges operated by the Gujarat Medical Education and Research Society (GMERS) in the state. The

government has now reverted to the previous fee structure. In July, the state government had announced revised fee structure for government quota, management quota, and NRI quota seats. The annual fee for government quota seats was increased from Rs 3,30 lakh per year to Rs 5,50 lakh, marking a 66.66% increase. The management quota fee surged from Rs 9 lakh per annum to Rs 17 lakh, signifying an 88.88% rise. For NRI quota students, the annual fee was raised from \$22,000 to \$25,000, representing a 13.63% increase. However, on Tuesday, the committee announced the withdrawal of the fee hike and the reinstatement of the previous fee structure. This sudden change has led to the

MAHSR corridor: NHSRCL officers undergo training in Japan

AHMEDABAD: At least 13 middle management officers from the operations and maintenance department of the National High Speed Rail Corporation Limited (NHSRCL) are undergoing an on-the-job training in Japanese Shinkansen technology for the Mumbai-Ahmedabad high-speed rail (MAHSR) corridor. The NHSRCL officers, representing various technical departments, will play a crucial role in managing and operating India's first high-speed rail corridor between Mumbai and Ahmedabad, or MAHSR. The 10-month-long training will take place at different locations in Japan and aims to provide specialized knowledge and expertise in the operation and maintenance of high-speed rail infrastructure. The officers will have a unique opportunity to explore the latest technological advancements, best practices, and operational methodologies that have made Japan a global leader in high-speed rail systems. This advanced knowledge will be vital in ensuring the successful implementation and smooth operation of India's high-speed rail project.

Defamation: Kejriwal, Singh plead not guilty

AHMEDABAD: Delhi chief minister Arvind Kejriwal and AAP leader Sanjay Singh pleaded not guilty to a criminal defamation case filed by Gujarat University for their allegedly derogatory and sarcastic remarks over PM Narendra Modi's death. Kejriwal pleaded not guilty in a case of defamation for the first time as he has apologized to many political leaders who had in the past either sued him for his alleged derogatory remarks or threatened to file a complaint. He has in the past apologized to SAD leader Bikram Singh Maishia, BJP leaders Nitin Gadkari and Arun Jaitley and Congress leader Kapil Sibal's son, Amit Sibal.

The metropolitan court recorded pleas of both the leaders in their absence through their lawyers after the high court, in the morning, refused to stay the proceedings on petitions filed by them. Earlier, the politicians had challenged in the session's court the metropolitan court's order of taking cognizance of GU's defamation claim and granting them summons. When the sessions court refused to stay or adjourn the case, they went to the high court which, on Friday morning, refused to grant them interim stay. The high court continued to question why the politicians did not honour the undertaking given to the metropolitan court that they would remain present in the courtroom on August 11. Reminding Kejriwal and Singh's lawyers about Delhi floods being cited as reason for avoiding court appearance, Justice Samir Dave of the high court, said, "Delhi is fine now. When are you going to appear?" When the lawyer argued that the insistence on a constitutional functionary's presence in the court in summons case is exceptional, the judge questioned, "So does it mean that they should not go to court ever? Exemption may be granted, but to what extent?" While refusing interim stay on the defamation case, the HC issued notice to the university and the state government and posted further hearing on August 29. On Friday, after recording their pleas, the metropolitan court posted the case on August 31 for recording of evidence. It granted the political leaders an exemption from remaining present on Friday and kept the university's request for issuance of bailable warrant pending till August 31, said the lawyers involved in the litigation.

Gujarat CM Bhupendra Patel unveils 'Shilaphalakam', launches statewide 'Meri Maati Mera Desh' campaign

AHMEDABAD: Gujarat chief minister Bhupendra Patel launched the 'Meri Maati Mera Desh' campaign from Tapi district. Addressing the gathering, he said that Prime Minister Narendra Modi initiated the campaign during the India's Amrit Mahotsav to honor the sacrifices of our martyrs for the nation. The chief minister addressed the statewide launch of the 'Meri Maati Mera Desh' campaign from Gansuda Primary School in Songadh Taluka of Tapi district. Armed robbers loot Rs 13 lakh from bank within 5 minutes

SURAT: In an audacious daylight robbery, five armed people barged into a nationalized bank and robbed Rs 13.26 lakh after threatening the staff and other customers at gun points within barely five minutes. The five came on two bikes to the Bank of Maharashtra's Vanz Branch in the Sachin area of the city at around 11.30 am. Four people had worn helmets while one had masked his face with a cloth. They were speaking in Hindi, said police.

Immediately upon entering the bank, one of them flashed a gun at the cashier Kaushal Parekh and the deputy manager Krishna Singh Sajjan Singh. They threatened the customers and locked them inside the bathroom with two robbers keeping an eye on them with their country-made revolvers. Krishna Singh told Sachin police that he was standing near Parekh's desk to discuss some bank matters. One of the robbers brandished the weapon and asked them to group up in a corner where their three accomplices threatened them with revolvers. Besides Parekh and Krishna Singh, peon Jitendra Sonawala and cleaner Shailesh Surti were present there. At the same time, two women and as many kids,

who entered the bank, were confined inside the strongroom. One of the robbers then forced Krishna Singh to open the locker of the strong room and took away Rs 39,000 from there. Meanwhile, one of the women started screaming and one of the robbers kicked and dragged her out. Two robbers then checked the cashier's desk and stuffed Rs 12.87 lakhs cash from the drawer into a bag. All five then fled from the bank. Krishna Singh then unlocked the bathroom and released the customers and staff. There were about 10 people including the bank staff when the robbers struck. Deputy commissioner of police (DCP), zone-6, Rajesh Parmar told ITO: "The two bikes used in the robbery were recovered from Piyush Point Circle in Pandesara. Both these bikes were stolen recently. An alert has been sounded in the city and nine teams have been formed to trace the robbers. "We have checked footage of about 500 CCTV cameras from Vanz to all exit points of the city, and launched an intensive search at important public places like railway stations and bus depots," Parmar added. Sachin police inspector RR Desai added: "The robbers seemed to have used country-made revolvers. Their modus operandi will help the cops identify them."

Gujarat's power demand rose by 3,000MW in 10 days

AHMEDABAD: Gujarat's power demand witnessed a significant upswing in the past few days as the state's activities returned to normalcy following heavy rains. Data from the State Load Despatch Centre (SLDC) revealed that the state's power demand surged from a low of 13,629MW on July 31 to 16,733MW on Thursday. Both conventional and wind power generation have seen an uptick recently. As the cost of energy exchange power rises, the Gujarat Urja Vikas Nigam Ltd (GUVNL) is expected to buy more power from generating companies in the state. In terms of million units, the state's power demand rose from 327 million units (MU) on July 30 to 401MU on August 10, marking a nearly 64MU increase. Notably, wind power generation has experienced substantial growth, hitting 3,430MW on August 10. However, solar power generation has dipped compared to the summer season, averaging around 700MW. While GUVNL's power purchase from the India Energy Exchange (IEX) slightly decreased recently, it purchased 456MW from the exchange on August 10. K K

Wildlife smugglers go hi-tech in reaching out to buyers across country

VADODARA: Wildlife smugglers seem to have gone hi-tech for reaching out to customers across the country. Forest officials say that many of the traders dealing in exotic animals or birds have taken to dark web and social media sites over the last few years. And the forest department has now begun training its staff in chasing these criminals online. "Many of the traders have started using the dark web to

sell the banned items as well as exotic species. It is tough to track the sellers or buyers on the dark web but our technical team has managed to trace a few. Even the social media sites are now used for this illegal trade," said Yogesh Warkad, regional deputy director, Wildlife Crime Control Bureau (WCCB) of western region.
